This is unless it is agreed before game starts

2. Games

All 3 games will be played by rally scoring. Every point will count towards the score. Teams play to 21, and must win by 2 points. If tied, the first team to 25 will win, regardless of point difference.

A volley of the ball clearing the net at least three times will determine the first serve.

3. Legal Volley

There will be no Rules regarding men/women hitting the ball

. Any combination of players is a legal volley.

4. Legal Serve

A ball may touch the net on a serve. If a ball touches the net on the serve and makes it over it is still a live ball and must be played.

5. Blocking and Receiving the Serve

Players are not allowed to block the serve. Players may not make contact with the net while a point is in play, if contact occurs the opposing team wins the point. No Back row spiking.

All rules will be self-called.

6. Rotation & Tardy Players

Rotation of players is allowed but teams must rotate at the same two positions. If a match has started and a player shows up, if the team is not playing at 6 players then that player can immediately step in at the next point as long as the ratios are kept in place to have a legal team. If they have 6 players then that player can rotate in.

7. Game Forfeit

A forfeit of the first game will occur if a team does not have the required number of players or the right ratio of players present 5 minutes after scheduled game time or court availability if previous match runs late. Remaining games will be forfeited if a legal line-up is not present 15 minutes after scheduled time or the end of previous match if it runs late.

8.Cancellations and Make-ups
